The Resident
Ocean Street & Wilson Street
KIAMA NSW 2533

Dear Resident

Ocean and Wilson Streets Kiama Timed Parking Restrictions

Reference is made to the above matter and Council's previous correspondence of 24 September 2012. This matter was referred to the Kiama Local Traffic Committee on 9 October 2012 where it was resolved as follows:

"CR281

Committee recommendation that:

- 1) a 4 hour parking zone be created along the residential side of Wilson and Ocean Streets (between Marsden Street and the entry to Easts Beach Holiday Park) through the installation of regulatory signage;
- 2) the timed parking restrictions be applied from 18 December to 31 January only;
- 3) the parallel parking restrictions be extended approximately 50 metres north on the western side of Wilson Street;
- 4) Council's Ranger Service be requested to increase surveillance and enforcement of the parking restriction during the holiday period;
- 5) a letter be sent to the management of the Easts Beach Holiday Park advising of the proposed parking changes and recommending that their guests/patrons be advised prior to and upon arrival of the new parking restrictions;
- 6) Council advise the residents of Ocean and Wilson Street of the Committee's recommendations;
- 7) following a review of the traffic and parking during the 2012 Christmas school holiday period a further report be brought back to the Traffic Committee; and
- 8) as part of the review process, Council investigate converting the parallel parking area to perpendicular parking."

The recommendations were endorsed by Council at its meeting of 16 October 2012.
